

Summer Programs 2020

MAKE YOUR SUMMER COUNT! Participating in a summer program is a great way to spend your summer. You will experience the excitement of college life at a college campus, you get to explore new programs and careers, and make friendships that last a lifetime with people from around the globe.

Name of Program	Dates	Description	Deadline	Cost
Minority Introduction to Engineering and Science (MITES)	<i>TBA</i> <i>(Based on last year's dates)</i> June 22- August 2, 2020 https://summerapp.mit.edu/res/p/application-checklist/	<p>Students selected for MITES generally have the following qualities:</p> <p>Passion for science, technology, engineering and math This can be demonstrated through extracurricular activities, essays, letters of recommendation, and strong academic record.</p> <p>We strongly encourage students from the following backgrounds to apply: Underrepresented in science and engineering, defined as being African American, Hispanic/Latino or Native American, Underserved, defined as coming from low socioeconomic means, which may be indicated by qualification for free/reduced lunch.</p> <p>Potentially the first family member to attend college Absence of science and engineering degrees in family Coming from a high school with low admittance rates to top-tier colleges, especially rural or predominantly minority high schools</p> <p>All applicants who meet the eligibility requirements will be considered, regardless of race or ethnicity.</p>	Student Submission Deadline: February 1, 2020 Recommender Deadline: February 15, 2020	FREE for students who are selected

<p>University of Notre Dame Summer Scholar</p>	<p>June 27 - July 11, 2020</p>	<p>Summer Scholars participants spend two intense weeks in one of 24 exciting programs of study. We keep the classes small and personal attention from Notre Dame faculty high. The coursework is a true preview of college academics—it is both rigorous and rewarding, and students earn one college credit upon the completion of a program track. Students collaborate on coursework outside designated class times, as they would in any college setting. There is also ample time to enjoy the social facets of college life, especially those unique to Notre Dame</p> <p>Criteria to apply to Summer Scholars:</p> <ul style="list-style-type: none"> Current sophomores and juniors Strong academic standing with solid extracurricular activities At least 16 years old <p>https://precollege.nd.edu/summer-scholars/</p>	<p>Feb 10 Summer Scholars Financial Aid Request Form Due Feb 18 Summer Scholars Application Due Feb 28 Standardized Test Scores Due for Leadership Seminars and Summer Scholars Applications Jun 27</p>	<p>Non-refundable application fee \$50</p> <p>Summer Scholars 2020 \$3,750</p> <p>Limited need based, partial scholarships available</p>
<p>University of Notre Dame Leadership Seminars</p>	<p>July 18 - July 29, 2020</p>	<p>Leadership Seminars is a competitive, 10-day program on Notre Dame's campus for academically talented students who show impressive leadership within their communities. Approximately 90 students are admitted to Leadership Seminars each year, and students are eligible to receive one college credit upon completion of the program. Expenses for students admitted to Leadership Seminars—including transportation to and from Notre Dame—will be paid for by the University..</p> <p>https://precollege.nd.edu/leadership-seminars/</p>	<p>January 27, 2020</p>	<p>FREE for students who are selected</p>
